Lewis Manor Labradoodles guarantees the health of puppy at time of sale and against any severe or life-threatening hereditary diseases up the age of 24 months. This health guarantee is only valid between the seller and original buyer, and does not transfer if ownership of the dog changes. However, we offer lifetime support with all of our puppies and if puppy is no longer wanted, we will take any of our puppies back from anyone at any time. (no cash refund)

The Lewis Manor Australian Labradoodle puppy is guaranteed to be in good health at time of sale and buyer will have puppy examined by their veterinarian within 1 week of receiving their puppy. If buyer's veterinarian finds the puppy to have chronic or serious health issues, buyer may immediately return the puppy along with a report issued by the Veterinarian and Lewis Manor will replace the puppy with another puppy from the next available litter. (Breeder's choice) Any request for replacement must be made within the 1 week time period and failure to have the puppy examined by buyer's Veterinarian within 1 week will make this contract void.

Conditions:

1. If a hereditary disease is diagnosed, it must be designated severe, or life threatening, diminishing the quality of puppy/dog's life, and be confirmed by two independent veterinarians. Findings will be sent to Lewis Manor labradoodles including diagnostic data, x-rays, etc. and must be reviewed and agreed upon by a Veterinarian of Lewis Manor's choosing. Lewis Manor Labradoodles reserves the right to have puppy/dog examined by a Veterinarian of our choosing

at our expense.

2. In the case of Hip dysplasia, proof by the Orthopedic Foundation for Animals (OFA) is required before any replacement/refund will be made.

3. In the case of any eye disease, the dog's eye exam must be sent to the Canine Eye Registration Foundation (CERF) for judgment, and the statement confirming a debilitating disease sent to Lewis Manor.

4. Australian labradoodle puppy must have been kept current on yearly exams, heartworm tests and preventative, all vaccines, and rabies. This health guarantee will be void if buyer unable to provide complete and accurate copies of their puppy's healthcare given on a regular basis.

5. In the case of hip dysplasia, the health guarantee is void if the puppy's primary diet has not been a premium food, and/or puppy has been allowed to become overweight.

6. If the puppy has been allowed to compete in Agility, run up and down stairs, or be a jogging partner, before the age of 12 months, this health guarantee will be void.

7. A dog that has been physically injured is not covered under this health guarantee.

8. It is the buyer's responsibility to keep the puppy away from public places (such as puppy kindergarten, pet stores, dog parks, etc.) before they are fully vaccinated to reduce the risk of deadly viruses (such as Parvovirus). Failure to do so, should puppy be diagnosed with deadly virus, will void this health guarantee.

If all of the conditions of this agreement have been met, and the buyer desires to return the dog, Lewis Manor will have the option at our discretion to either replace the puppy from the next available litter, or refund half the original purchase price. Return shipping of the old puppy, and shipping of the new puppy will be at buyer's expense. If the buyer desires to keep the puppy, Lewis Manor Labradoodles will pay for all Veterinary costs for treatment up to the full purchase price of the puppy paid to buyer's Veterinarian.

Lewis Manor Labradoodles offers lifetime support with all of our puppies. If at any time buyer decides he/she no longer wants puppy/dog, or can no longer care for it, we will take puppy/dog back at any time, for any reason, with no refund. If at any time buyer should choose to re-home puppy/dog, buyer agrees to contact seller to help place puppy/dog in new home. At no time should this puppy/dog be surrendered to the SPCA, Humane Society, dog pound, etc.
